

## WELCOME TO OUR PRESCHOOL

The Chai Altman Preschool is proud to be the premier Jewish preschool in the Poway and Rancho Bernardo communities. Since opening its doors in 1988, the school has established a program that enhances each child's development through a curriculum that integrates the secular and Judaic experiences. Serving boys and girls ages 18 months to 6 years, we offer small classes with low teacher to student ratios. We offer the choice of Montessori or traditional preschool enrichment classes. Our modern, state of the art facility is equipped with the most educationally sound early childhood materials. While attending the Chai Altman Preschool your child will receive an education rich in Jewish traditions, integrated with a developmentally appropriate secular curriculum. Our flexible scheduling allows parents to enroll for days and times that are suitable for their own family needs. Children need not be toilet trained to attend. If you are looking for an outstanding preschool for your child we invite you to join the Chai Altman Preschool.

## PHILOSOPHY

The Chai Altman Preschool welcomes each child regardless of background, religion or affiliation. We believe each child learns best in an environment that is rich in hands on experiences. We provide for the physical, intellectual and emotional growth of the children through activities that are child directed and teacher guided. Children are encouraged to use their senses to explore, experiment and use their imagination to the fullest. Through dramatic play, visual aides, manipulatives and the use of centers within the classroom such as art, science, blocks, math and literacy, children gain readiness skills for future learning. Our staff works closely with each child to help develop their self-esteem through problem solving, encouraging self-expression and offering positive reinforcement.

## STAFF

Our staff is carefully selected based upon their education, credentials and experience. Our staff is warm, nurturing and loving. They recognize each child as an individual and strive to meet their unique needs. Our teachers delight in the children and provide them with the greatest gift of all, a love of learning. Our staff strives to be flexible and accommodating, meeting the unique needs of each family.

## ATMOSPHERE

Our classes are held in a warm and friendly environment that fosters learning and creative expression. In our program, we utilize an extensive supply of early childhood toys, games and an array of manipulatives to give our children the hands-on experiences that they need to expand their imagination as well as to develop their motor skills. Our two outside play areas are designed and equipped to challenge and entertain children safely. Located minutes from I-15 and Pomerado Road, our school is convenient to many neighborhoods and workplaces.
